

1. Giro petto.
2. Giro vita.
3. Giro fianchi.

TAKE THE MEASUREMENTS

Take the measurements directly on your body, without tightening. If you are undecided between two sizes, go for the larger one.

1. Around the chest:
measure the circumference at the widest point of the chest.
2. Waistline:
measure around the waist at the narrowest point of the waist (belt).
3. Around the hips:
measure the circumference at the widest point of the pelvis.
